

3001

STAMFORD SQUARE

Ashforth Express Train Shuttle Service

Ashforth provides two shuttles to and from the Stamford Transportation Center.

- Our first shuttle makes stops at two other office buildings along Summer Street and is marked Shuttle 1 (#48).
- Our second shuttle is marked Shuttle 2 (#53) and travels non-stop between 3001 and the Stamford Transportation Center.
- Please note that due to the queue and standing regulations at the train station, our driver may have to loop around the train station once or twice before the scheduled departure time. You may not see the shuttle right away; however it will leave at the departure time on our schedule.
- The Ashforth Express is a free amenity to those who work in our building and picks up and drops off outside the first floor lobby. If you plan to use the service, please stop by our management office or the concierge desk on the first floor to obtain an identification sticker to be placed on your access pass. The driver is instructed to ask riders for their pass.

Please contact our management office with any questions. You can reach Heather Evans at evansh@ashforth.com or 203-356-9985. We encourage you to share your feedback on the shuttle service so we can work to provide the best possible schedule.
